A Very Tiny 19th Century White Mother-of-Pearl Carnet De Bal, the upper guard incised with a scrolling design of flowers and leaves, the lower guard plain. Five ivory inner sticks or "pages" for recording the names of dance partners, and a tiny pencil within a curled metal holder attached at the side. A delicate chain holds a finger ring. Guard length 2.75 inches or 7cm. **Together with an ivory fan circa 1900, the cream gauze leaf embroidered with several horizontal bands of tiny silver sequins, the widest band forming large flower heads. The monture is completely piqué with steel. Contained in a cream, silk-lined fan box, unlabelled. Guard length 9.5 inches or 24cm (2)**
